

OFFICE OF INSTITUTIONAL RESEARCH

COMMON DATA SET

The Common Data Set is maintained by the Office of Institutional Research. It contains valuable resources that have been put on-line for the purposes of convenience and reference. Universities everywhere are requested to provide statistics and information for numerous publications, surveys, and general inquiries. Although the source of each inquiry is different, the theme is similar, and we often answer the same questions repeatedly. Now, by the use of the world wide web, we can increase our efficiency by standardizing each response. This effort is a part of a growing trend by universities worldwide. Please use these surveys at your will for the purpose of obtaining information about the Florida State University.

If we can be of any further assistance, please call at (850) 644-1532, or e-mail Andrew Brady (mailto:abrady@fsu.edu).
