#### Section A 2. General Information (concluded) 2017-2018 University of Kansas

#### **Narrative Description:**

The University of Kansas (KU) is a major public research and teaching university that serves as a center for learning, scholarship, and creative endeavor. Established in 1865, the University has four principal locations -- the main campus, Lawrence; the Medical Center campus, Kansas City; the School of Medicine Clinical Campus, Wichita; and the Edwards Campus, Overland Park, Kansas.

Of the total Fall 2017 University enrollment of 28,447 students, 24,891 are enrolled at the main campus in Lawrence. The Lawrence campus is located in the heart of the city on a ridge called Mount Oread with more than 150 major buildings. *National Geographic* named KU's main campus one of the nation's most attractive. Jayhawk Boulevard, KU's central thoroughfare, is closed to drive-through traffic during the week; walking and bicycling are favored modes of transportation. Many students also take advantage of the city/campus bus system, which stops at major campus buildings, downtown, and many areas of the city. The University has over 2,800 faculty and offers 142 bachelor programs, 49 undergraduate/graduate certificate programs, 132 master, and 101 doctorate research/professional degree programs. KU has the only state-supported schools of Law, Medicine, and Pharmacy.

The library system has 12 facilities with over 4.7 million volumes. Special libraries include art and architecture, engineering, science, law, medicine, music, rare books and manuscripts, and regional collections. The Lied Center for the Performing Arts hosts various theatrical productions throughout the year in its 2,020 seat auditorium. Internationally known orchestras, dance troupes, singers, speakers, and Broadway productions have all been part of past event calendars. The oldest portions of the KU Lawrence campus were added to the National Register of Historic Places in 2013 and 2014. Four campus buildings are also on the National Register of Historic Places. The Museums of Art and Natural History and the Robert J. Dole Institute of Politics are major attractions.

With its world-famous mascot, the Jayhawk, KU belongs to the Big 12 athletic conference. Football and basketball games are popular events. "Late Night in the Phog" kicks off the basketball season and packs Allen Field House with students, faculty, and townspeople. In 1992-93, KU became the first university ever to send teams to a major football bowl, basketball's Final Four, and baseball's College World Series in the same academic year. In 2013 the women's track and field team won the NCAA outdoor championship, a first for the women's program. In 2015 the women's volleyball team advanced to the Championship semifinals, a first for the volleyball program.

The University provides a wide range of services for students. On-campus housing options include residence halls, scholarship halls, and single student apartments. All on-campus housing is wired for high speed internet access and Wi-Fi; most campus buildings have Wi-Fi. Many students opt for off-campus housing, which is widely available. On campus services available to students include academic language resource center, a CEA accredited Applied English Center, career and employment centers, counseling and psychological center, day care center, disabled student services, financial aid/scholarship office, College of Liberal Arts and Sciences advising center, health center, Honors Program, on campus housing office, international student office, legal services office, money management services, multicultural affairs office and resource center, new student orientation office, Study Abroad office, tutoring services, undergraduate advising center, veterans services office, women's resource center, writing center, and student unions. Recreation Services sponsors intramural programs and there are many sport clubs. Campus student recreation facilities have aerobic/martial arts studios, cardiovascular and resistance training equipment areas, suspended walking/jogging track, indoor climbing wall, indoor golf simulator, outdoor challenge course, tennis and sand volleyball courts, soccer and rugby playing fields, basketball, racquetball, and volleyball courts, two indoor swimming pools, and multiple gyms. Student Union Activities sponsors many recreational outings, lectures, concerts, a low cost film series, as well as several free films throughout the year. The Student Involvement and Leadership Center provides information and works with over 540 university-related student organizations -- including academic, arts, cultural/ethnic, environmental, honorary, housing, political (campus and partisan), recreation, religious, service, social, special interest, sports clubs, student government, fraternity and sorority organizations.

With a population of over 95,000, the beautiful city of Lawrence offers a wide range of services including downtown shopping within walking distance of campus, theaters, restaurants, coffee shops, art galleries, recreational facilities, city parks and churches. Clinton Reservoir, 1 mile west of town, provides water sports opportunities. Topeka, the state capital, is 30 miles to the west. Kansas City is 40 miles to the east with many more shopping areas, restaurants, museums, theaters, sporting events, and an international airport.

CDS G0. URL for our net price calculator: <a href="https://admissions.ku.edu/tuition-scholarship/net-price-calculator">https://admissions.ku.edu/tuition-scholarship/net-price-calculator</a>

**CDS G1. 2017-2018 Full-time undergraduate tuition, required fees, room and board rates:** The following table lists the typical tuition, required fees and room and board for a full-time undergraduate student for the full academic year (Fall plus Spring semesters). Room and board is defined as double occupancy and meal card. Required fees include only charges that all full-time students must pay that are not included in tuition (e.g., registration, health, or activity fees). Optional fees (e.g., parking permit, bus pass, all sports ticket) are excluded.

Beginning Fall 2015, entering first-time freshmen may choose the compact rate or the standard tuition rate. The compact will fix tuition rates for four years and set course fees and required campus fees in a four-year schedule. These set rates enable the entering freshmen and their families to accurately estimate the key costs of a four-year degree at the University of Kansas. Freshmen not choosing the compact will pay the standard tuition rate which only applies to the current year.

	First-time Freshmen Four-Year Tuition Compact	Undergraduate Standard Tuition
In-state tuition	\$11,063	\$9,818
Out-of-state tuition (also paid by international students)	\$28,770	\$25,586
Required fees (inc. Infrastructure fee)	\$1,006	\$1,006
Room and board (on-campus)	\$10,060	\$10,060
